

## Fieldwork Investigation

### Risk Assessment Template

Risk assessments are based on your knowledge of the activities, services and facilities which make up your fieldwork itineraries.

<b><u>Ranking of risk</u></b> <i>1 – low risk 5 – high risk</i>	<b><u>Risk</u></b>	<b><u>Detail of risk</u></b> <i>Be specific about what risks you face</i>	<b><u>Control measure</u></b> <i>How are you going to minimize this risk?</i>
Example: Risk = 5	<b>Crossing the road</b>	<ul style="list-style-type: none"><li>- Risk of traffic accident if road is crossed when traffic light is green</li><li>- Risk of car not seeing the traffic light is red</li></ul>	<ul style="list-style-type: none"><li>- Ensure group wait for traffic light to be red.</li><li>- Ensure group looks left and right, then left then right again before crossing the road</li></ul>
